SUPPLEMENTAL INDENTURE No. 13, made as of the 1st day of April, 2020, by and between XCEL ENERGY INC., a corporation duly organized and existing under the laws of the State of Minnesota (the “Company”), and WELLS FARGO BANK, NATIONAL ASSOCIATION, a national banking association organized and existing under the laws of the United States, as trustee (the “Trustee”):

WITNESSETH:

WHEREAS, the Company has heretofore executed and delivered its Indenture (hereinafter referred to as the “Indenture”), made as of December 1, 2000; and

WHEREAS, Section 2.5 of the Indenture provides that Securities shall be issued in series and that a Company Order shall specify the terms of each series; and

WHEREAS, the Company has this day delivered a Company Order setting forth the terms of a series of Securities designated “3.40% Senior Notes, Series due June 1, 2030” (hereinafter referred to as the “Notes due 2030”); and

WHEREAS, Section 12.1 of the Indenture provides that the Company and the Trustee may enter into indentures supplemental thereto for the purposes, among others, of (1) establishing the form of Securities or establishing or reflecting any terms of any Security and adding to the covenants of the Company and (2) changing any of the provisions of the Indenture, provided that such change is applicable only to Securities issued after the effective date of such change; and

WHEREAS, the execution and delivery of this Supplemental Indenture No. 13 (herein, this “Supplemental Indenture”) have been duly authorized by a resolution or written consent adopted by the Board of Directors of the Company;

NOW, THEREFORE, THIS INDENTURE WITNESSETH:

That in order to set forth the terms and conditions upon which the Notes due 2030 are, and are to be, authenticated, issued and delivered, and in consideration of the premises of the purchase and acceptance of the Notes due 2030 by the Holders thereof and the sum of one dollar duly paid to it by the Trustee at the execution of this Supplemental Indenture, the receipt whereof is hereby acknowledged, the Company covenants and agrees with the Trustee for the equal and proportionate benefit of the respective Holders from time to time of the Notes due 2030, as follows:

ARTICLE ONE
RELATION TO INDENTURE; DEFINITIONS

SECTION 1.01. This Supplemental Indenture constitutes an integral part of the Indenture.

SECTION 1.02. For all purposes of this Supplemental Indenture:

(a) Capitalized terms used herein without definition shall have the meanings specified in the Indenture;
SECTION 2.01. There shall be a series of Securities designated the “3.40% Senior Notes, Series due June 1, 2030.” The Notes due 2030 shall be limited to $600,000,000 aggregate principal amount except as provided in Section 2.08 hereof.

SECTION 2.02. Except as otherwise provided in Section 2.05 hereof, the principal amount of the Notes due 2030 shall be payable on the stated maturity date of June 1, 2030.

SECTION 2.03. The Notes due 2030 shall be dated their date of authentication as provided in the Indenture and shall bear interest from their date at the rate of 3.40% per annum, payable semi-annually on June 1 and December 1 of each year, commencing December 1, 2020. The Regular Record Dates with respect to such June 1 and December 1 interest payment dates shall be May 15 and November 15, respectively, immediately preceding such interest payment dates. Principal and interest shall be payable to the persons and in the manner provided in Sections 2.4 and 2.12 of the Indenture.

SECTION 2.04. The Notes due 2030 shall be payable at the corporate trust office of the Trustee and at the offices of such paying agents as the Company may appoint by Company Order in the future.

SECTION 2.05. At any time prior to December 1, 2029 (six months prior to the maturity date of the Notes due 2030 (the “Par Call Date”)), the Company may redeem, in whole or in part, the Notes due 2030, at a “make-whole” redemption price equal to the greater of (i) 100% of the principal amount of such Notes due 2030 being redeemed and (ii) the sum of the present values of the remaining scheduled payments of principal and interest on the Notes due 2030 being redeemed that would be due if the Notes due 2030 matured on the Par Call Date (excluding the portion of any such accrued and unpaid interest to but excluding the date fixed for redemption), discounted to but excluding the date fixed for redemption on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined below) plus 45 basis points plus, in each case, accrued and unpaid interest thereon to but excluding the date fixed for redemption. At any time on or after the Par Call Date, the Company may redeem, in whole or in part, the Notes due 2030, at 100% of the principal amount being redeemed plus accrued and unpaid interest thereon to but excluding the date fixed for redemption.

“Comparable Treasury Issue” means the U.S. Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the Notes due 2030 redeemed (assuming, for this purpose, that the Notes due 2030 matured on the Par Call Date) that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Notes due 2030 being redeemed.
“Comparable Treasury Price” means with respect to any redemption date of the Notes due 2030 (i) the average of the Reference Treasury Dealer Quotations for the date fixed for redemption, after excluding the highest and lowest of such Reference Treasury Dealer Quotations for such date fixed for redemption, or (ii) if the Independent Investment Banker obtains fewer than four of such Reference Treasury Dealer Quotations for the date fixed for redemption, the average of all such Reference Treasury Dealer Quotations for the date fixed for redemption.

“Independent Investment Banker” means one of the Reference Treasury Dealers or their respective successors or, if such firms or their respective successors are unwilling or unable to select the Comparable Treasury Issue, an independent investment banking institution of national standing appointed by the Company.

“Primary Treasury Dealer” means any primary U.S. Government securities dealer in the United States.

“Reference Treasury Dealer” means (i) each of Barclays Capital Inc., BofA Securities, Inc., J.P. Morgan Securities LLC and RBC Capital Markets, LLC, and any other Primary Treasury Dealer designated by, and not affiliated with, Barclays Capital Inc., BofA Securities, Inc., J.P. Morgan Securities LLC and RBC Capital Markets, LLC and their respective affiliates or successors, provided, however, that if any of the foregoing, or any of their respective designees, ceases to be a Primary Treasury Dealer, the Company will appoint another Primary Treasury Dealer as a substitute and (ii) any other Primary Treasury Dealer selected by the Company after consultation with the Independent Investment Banker.

“Reference Treasury Dealer Quotations” means, for any Reference Treasury Dealer and any date fixed for redemption, the average, as determined by an Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to an Independent Investment Banker by the Reference Treasury Dealer at 5:00 p.m., Eastern time, on the third business day preceding the date fixed for redemption.

“Treasury Rate” means, with respect to any date fixed for redemption, the rate per annum equal to the semi-annual equivalent yield to maturity of such Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to such Comparable Treasury Price for such date fixed for redemption. The Treasury Rate will be calculated on the third business day preceding the date fixed for redemption.

The Notes due 2030 shall not be subject to any sinking fund.

**SECTION 2.06.** The Notes due 2030 shall be issued in fully registered form without coupons in denominations of $2,000 and integral multiples of $1,000 in excess thereof.

**SECTION 2.07.** The Notes due 2030 shall initially be in the form attached as Exhibit A hereto.

**SECTION 2.08.** The Notes due 2030 may be reopened and additional notes of the Notes due 2030 may be issued in excess of the limitation set forth in Section 2.01, provided that such additional notes will contain the same terms (including the maturity date and interest payment terms) as the
other Notes due 2030, except for the price to the public, the issue date and, if applicable, the first interest accrual and payment dates. Any such additional Notes due 2030, together with the other Notes due 2030, shall constitute a single series for purposes of the Indenture and shall have the same CUSIP provided they are fungible for U.S. federal income tax purposes.

As a condition to the payment, on the Maturity Date or upon redemption or acceleration, of any part of the principal and applicable premium of this Global Security, the Depository shall surrender, or cause to be surrendered, this Global Security to the Trustee, whereupon a new Global Security shall be issued to the Depository.

This Global Security is a global security in respect of a duly authorized issue of Senior Notes, Series due June 1, 2030 (the “Notes of this Series,” which term includes any Global Securities representing such Notes) of the Company issued and to be issued under an Indenture dated as of December 1, 2000 between the Company and Wells Fargo Bank, National Association, as trustee (herein called the “Trustee,” which term includes any successor Trustee under the Indenture) and indentures supplemental thereto (collectively, the “Indenture”). Under the Indenture, one or more series of Securities may be issued and, as used herein, the term “Securities” refers to the Notes of this Series and any other outstanding series of Securities. Reference is hereby made to the Indenture for a more complete statement of the respective rights, limitations of rights, duties and immunities under the Indenture of the Company, the Trustee and the Securityholders and of the terms upon which the Securities are and are to be authenticated and delivered. This Global Security has been issued in respect of the series designated on the first page hereof.

Each Note of this Series shall be dated and issued as of the date of its authentication by the Trustee and shall bear an Original Issue Date or Dates. Each Security or Global Security issued upon transfer, exchange or substitution of such Security or Global Security shall bear the Original Issue Date or Dates of such transferred, exchanged or substituted Security or Global Security, as the case may be.

At any time prior to December 1, 2029 (six months prior to the maturity date of the Notes of this Series (the “Par Call Date”)), the Company may redeem, in whole or in part, the Notes of this Series, at a “make-whole” redemption price equal to the greater of (i) 100% of the principal amount of such Notes of this Series being redeemed and (ii) the sum of the present values of the
remaining scheduled payments of principal and interest on the Notes of this Series being redeemed that would be due if the Notes of this Series matured on the Par Call Date (excluding the portion of any such accrued and unpaid interest to but excluding the date fixed for redemption), discounted to but excluding the date fixed for redemption on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined below) plus 45 basis points plus, in each case, accrued and unpaid interest thereon to but excluding the date fixed for redemption. At any time on or after the Par Call Date, the Company may redeem, in whole or in part, the Notes of this Series, at 100% of the principal amount being redeemed plus accrued and unpaid interest thereon to but excluding the date fixed for redemption.

“Comparable Treasury Issue” means the U.S. Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the Notes of this Series being redeemed (assuming, for this purpose, that the Notes of this Series matured on the Par Call Date) that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Notes of this Series being redeemed.

“Comparable Treasury Price” means with respect to any redemption date of the Notes of this Series (i) the average of the Reference Treasury Dealer Quotations for the date fixed for redemption, after excluding the highest and lowest of such Reference Treasury Dealer Quotations for such date fixed for redemption, or (ii) if the Independent Investment Banker obtains fewer than four of such Reference Treasury Dealer Quotations for the date fixed for redemption, the average of all such Reference Treasury Dealer Quotations for the date fixed for redemption.

“Independent Investment Banker” means one of the Reference Treasury Dealers or their respective successors or, if such firms or their respective successors are unwilling or unable to select the Comparable Treasury Issue, an independent investment banking institution of national standing appointed by the Company.

“Primary Treasury Dealer” means any primary U.S. Government securities dealer in the United States.

“Reference Treasury Dealer” means (i) each of Barclays Capital Inc., BofA Securities, Inc., J.P. Morgan Securities LLC and RBC Capital Markets, LLC, and any other Primary Treasury Dealer designated by, and not affiliated with, Barclays Capital Inc., BofA Securities, Inc., J.P. Morgan Securities LLC and RBC Capital Markets, LLC and their respective affiliates or successors, provided, however, that if any of the foregoing, or any of their respective designees, ceases to be a Primary Treasury Dealer, the Company will appoint another Primary Treasury Dealer as a substitute and (ii) any other Primary Treasury Dealer selected by the Company after consultation with the Independent Investment Banker.

“Reference Treasury Dealer Quotations” means, for any Reference Treasury Dealer and any date fixed for redemption, the average, as determined by an Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to an Independent Investment Banker by the Reference Treasury Dealer at 5:00 p.m., Eastern time, on the third business day preceding the date fixed for redemption.
"Treasury Rate" means, with respect to any date fixed for redemption, the rate per annum equal to the semi-annual equivalent yield to maturity of such Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to such Comparable Treasury Price for such date fixed for redemption. The Treasury Rate will be calculated on the third business day preceding the date fixed for redemption.

Notice of redemption will be given by mail to Holders of Notes of this Series not less than 10 or more than 60 days prior to the date fixed for redemption, all as provided in the Indenture. In the event of redemption of this Global Security in part only, a new Global Security or Securities of like tenor and series for the unredeemed portion hereof will be issued in the name of the Securityholder hereof upon the surrender hereof.

Interest payments for this Global Security shall be computed and paid on the basis of a 360-day year of twelve 30-day months. In any case where any Interest Payment Date or date on which the principal of this Global Security is required to be paid is not a Business Day, then payment of principal, premium or interest need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on such Interest Payment Date or date on which the principal of this Global Security is required to be paid and, in the case of timely payment thereof, no interest shall accrue for the period from and after such Interest Payment Date or the date on which the principal of this Global Security is required to be paid.

The Company, at its option, and subject to the terms and conditions provided in the Indenture, will be discharged from any and all obligations in respect of the Securities (except for certain obligations including obligations to register the transfer or exchange of Securities, replace stolen, lost or mutilated Securities, maintain paying agencies and hold monies for payment in trust, all as set forth in the Indenture) if the Company deposits with the Trustee money, U.S. Government Obligations which through the payment of interest thereon and principal thereof in accordance with their terms will provide money, or a combination of money and U.S. Government Obligations, in any event in an amount sufficient, without reinvestment, to pay all the principal of and any premium and interest on the Securities on the dates such payments are due in accordance with the terms of the Securities.

If an Event of Default shall occur and be continuing, the principal of the Securities may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modifications of the rights and obligations of the Company and the rights of the Securityholders under the Indenture at any time by the Company and the Trustee with the consent of the Holders of not less than a majority in principal amount of the outstanding Securities. Any such consent or waiver by the Holder of this Global Security shall be conclusive and binding upon such Holder and upon all future Holders of this Global Security and of any Note issued upon the registration of transfer hereof or in exchange therefor or in lieu thereof whether or not notation of such consent or waiver is made upon the Note.

As set forth in and subject to the provisions of the Indenture, no Holder of any Securities will have any right to institute any proceeding with respect to the Indenture or for any remedy.
thereunder unless such Holder shall have previously given to the Trustee written notice of a continuing Event of Default with respect to such Securities, the Holders of not less than a majority in principal amount of the outstanding Securities affected by such Event of Default shall have made written request and offered to the Trustee such reasonable indemnity as it may require to institute such proceeding as Trustee and the Trustee shall have failed to institute such proceeding within 60 days; provided, however, that such limitations do not apply to a suit instituted by the Holder hereof for the enforcement of payment of the principal of and any premium or interest on this Note on or after the respective due dates expressed herein.

No reference herein to the Indenture and to provisions of this Global Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest on this Global Security at the times, places and rates and the coin or currency prescribed in the Indenture.

As provided in the Indenture and subject to certain limitations therein set forth, this Global Security may be transferred only as permitted by the legend hereto.

If at any time the Depository for this Global Security notifies the Company that it is unwilling or unable to continue as Depository for this Global Security or if at any time the Depository for this Global Security shall no longer be eligible or in good standing under the Securities Exchange Act of 1934, as amended, or other applicable statute or regulation, the Company shall appoint a successor Depository with respect to this Global Security. If a successor Depository for this Global Security is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, the Company’s election to issue this Note in global form shall no longer be effective with respect to this Global Security and the Company will execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of individual Notes of this Series in exchange for this Global Security, will authenticate and deliver individual Notes of this Series of like tenor and terms in definitive form in an aggregate principal amount equal to the principal amount of this Global Security.

The Company may at any time and in its sole discretion determine that all Notes of this Series (but not less than all) issued or issuable in the form of one or more Global Securities shall no longer be represented by such Global Security or Securities. Under certain circumstances specified in the Indenture, the Depository may be required to surrender any two or more Global Securities which have identical terms (but which may have differing Original Issue Dates) to the Trustee, and the Company shall execute and the Trustee, upon receipt of a Company Order for the authentication and delivery of individual Notes of this Series in exchange for such Global Securities, shall authenticate and deliver to, or at the direction of, the Depository a Global Security in principal amount equal to the aggregate principal amount of, and with all terms identical to, the Global Securities surrendered thereto and that shall indicate all Original Issue Dates and the principal amount applicable to each such Original Issue Date.
The Indenture and the Securities shall be governed by, and construed in accordance with, the laws of the State of Minnesota.

Unless the certificate of authentication hereon has been executed by the Trustee, directly or through an Authenticating Agent by manual signature of an authorized officer, this Global Security shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

All terms used in this Global Security which are defined in the Indenture shall have the meanings assigned to them in the Indenture unless otherwise indicated herein.

Ladies and Gentlemen:

I am the Executive Vice President and General Counsel of Xcel Energy Inc., a Minnesota corporation (the “Company”), and, as such, I and the attorneys that I supervise have acted as counsel for the Company in connection with the issuance and sale of $600,000,000 aggregate principal amount of the Company’s 3.40% Senior Notes, Series due June 1, 2030 (the “Notes”), pursuant to the Underwriting Agreement, dated as of March 27, 2020 (the “Underwriting Agreement”), by and among the Company and Barclays Capital Inc., BofA Securities, Inc., J.P. Morgan Securities LLC and RBC Capital Markets, LLC, as representatives of the underwriters named on Schedule I therein (collectively, the “Underwriters”). The Notes will be issued pursuant to the Indenture, dated as of December 1, 2000, between the Company and Wells Fargo Bank, National Association, as trustee (the “Trustee”), as supplemented, and as further supplemented by the Supplemental Indenture No. 13, dated as of April 1, 2020, with respect to the Notes, by and between the Company and the Trustee (the Indenture, as supplemented, the “Indenture”).
I, or attorneys that I supervise, have examined or are otherwise familiar with the Amended and Restated Articles of Incorporation of the Company, the Bylaws of the Company, as amended, the Registration Statement on Form S-3 (File No. 333-224333) (the “Registration Statement”) filed by the Company with the Securities and Exchange Commission, to effect the registration of the Notes under the Securities Act of 1933, as amended (the “Securities Act”), pursuant to which the Notes are to be issued, such corporate action in connection with the issuance of the Notes (the “Corporate Proceedings”) as have occurred as of the date hereof and such other documents, records and instruments as I have deemed necessary or appropriate for the purposes of this opinion letter.

Based upon the foregoing and assumptions that follow, I am of the opinion that the Notes, when they are executed by the Company and authenticated by the Trustee in accordance with the Indenture and issued and delivered to the Underwriters against payment therefore in accordance with the terms of the Underwriting Agreement, will constitute valid and binding obligations of the Company.
The foregoing opinion assumes that the Trustee has duly authorized, executed and delivered the Indenture. The foregoing opinion is also subject to:

1. the limitation that the provisions of the Indenture and the Notes may be limited by bankruptcy, reorganization, insolvency, moratorium or other laws of general application affecting the enforcement of creditors’ rights;

2. general equity principles (regardless of whether enforcement is considered in a proceeding in equity or at law); and

3. the effect of generally applicable laws that (a) limit the availability of a remedy under certain circumstances where another remedy has been elected, (b) limit the enforceability of provisions releasing, exculpating or exempting a party from, or requiring indemnification of a party for, liability for its own action or inaction, to the extent the action or inaction involves gross negligence, recklessness, willful misconduct or unlawful conduct, or (c) may, where less than all of a contract may be unenforceable, limit the enforceability of the balance of the contract to circumstances in which the unenforceable portion is not an essential part of the agreed exchange.

I express no opinion as to the laws of any jurisdiction other than the laws of the State of Minnesota. The opinion herein expressed is limited to the specific issues addressed and to laws existing on the date hereof. By rendering this opinion letter, I do not undertake to advise you with respect to any other matter or of any change in such laws or in the interpretation thereof which may occur after the date hereof.

I hereby consent to the filing of this opinion letter as Exhibit 5.01 to the Current Report on Form 8-K dated the date hereof filed by the Company and incorporated by reference into the Registration Statement. In giving such consent, I do not hereby admit that I am included in the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Securities and Exchange Commission promulgated thereunder.

Respectfully submitted,

By: /s/ Scott M. Wilensky
